

Appl. No. 10/709,856
Amdt. dated April 11, 2007
Reply to Office Action of March 20, 2007

REMARKS:

The present amendment is being filed pursuant to 37 C.F.R. § 1.312. It is particularly noted that this amendment is being filed after notice of allowance but before payment of the issue fee. Furthermore, the amendment to the specification made herein simply serves to address an inconsistency identified between the drawings and the Brief Description of the Drawings in the specification. Thus, the present amendment merely places the specification in a more correct and accurate format. There is no reason, nor has any request been made, for withdrawing this application from issue.

Should there be any questions, please contact the undersigned at (800) 445-3460. The Commissioner is hereby authorized to charge any fees which may be associated with this communication to Deposit Account No. 19-0522.

Respectfully submitted,
